

What's Next for You?

To make the most of the time you've spent learning about entrepreneurial thinking, take a few minutes to consider how you'll apply new insights and skills.

1. How has exploring entrepreneurial thinking affected the way you think about your career opportunities? The way you plan to approach looking for work opportunities?

2. How will you use the entrepreneurial thinking skills you've developed:

- in your academic pursuits?
- in your career development?
- in your volunteer activities or hobbies?
