

SEXUAL AND GENDER BASED VIOLENCE RESPONSE

* CONNECT TO CARE

When connecting a student to the Sexualized Violence Response Consultant (SVRC), you can either send their name and email to the SVRC or cc them on the email to the SVRC.

SVRC email: svcomplaint@mta.ca

If the student does not want to be connected directly to SVRC, inform the student they can remain anonymous, but you will need to share the situation with SVRC to receive guidance and resources. If known, please send demographics to SVRC (year of study, housing, team). You can also encourage them to use the StarRez platform. Accommodations (ex. academic, housing, etc.) cannot be made unless SVRC meets with the survivor.

** STARREZ PLATFORM

The StarRez disclosure form is accessible 24/7 to the Mount Allison Community. It provides an anonymous disclosure option and a direct connection to the Sexualized Violence Response Consultant.
